

Preschool Scholarship Application Guidelines

The HSDC Preschool Scholarship program exists to provide financial assistance to families that might not otherwise be able to afford the services offered by HSDC. Assistance is granted in the form of partial scholarships, contingent upon availability of funds.

Eligibility & Priority Criteria

1. Strong preference is given to families that meet the Income Eligibility Criteria as listed below.
2. Special needs (as described in the application) are also considered and given priority.
3. A complete application and required documentation must be submitted.
4. Amount awarded considered after other funding sources are exhausted or applied.

Income Eligibility Criteria

HSDC uses the Federal Poverty Guidelines to determine eligibility. Preference will be given to households living below 300% of the federal poverty line.

- Meeting the eligibility requirements above does not guarantee that a scholarship will be available.
- In order to support as many families as possible, we may only award partial scholarships, which may vary in duration.
- You will be invoiced monthly for any remaining tuition. Payment plans may be set-up through the Director of Education.
- Any past due tuition amount will cause the scholarship to be cancelled unless a prior written arrangement with the Education Director has been arranged.
