

ABC's Sign Vocabulary: Mental Health & Substance Use

Saturday, November 18, 2017

9:00AM - 4:00PM (CDT)

Presented by Steven Hunter, MSW

Steven Hunter, MSW, mental health counselor and substance use professional, presents concepts and vocabulary in the areas of mental health and substance use. Using his native language, American Sign Language, Steven guides the participant in understanding the concepts, definitions, and appropriate vocabulary in these two settings. Participants will identify appropriate sign vocabulary for interpreting in two of the most challenging areas of our field. A total of .6 CEUs can be earned in this webcast produced by the professionals at AMPChannel.tv.

1. Participant will be able to define at least 30 mental health and substance use terms.
2. Participant will be able to correctly match at least 15 ASL-English word pairs used in the mental health and substance use settings.

This webcast will be presented in American Sign Language.

Continuing Education Credits: The Betty & Leonard Phillips Deaf Action Center is an Approved RID CMP Sponsor for continuing education activities. This Professional Studies program is offered for **0.6 CEUs** at the 'Some' Content Knowledge Level.

Target audience: Working sign language interpreters

Cost: \$75

Registration ends November 17 at 11:59pm (EST)
